NOTES AND GENERAL RULES OF THE CHALLENGE

For the first ten days of December the Club will publish one obstacle each day with instructions on how to build and complete it. The trickiest obstacles will be revealed first to give everyone time to practice.

You then have ten more days to build the whole course and video the handler and the equine completing all the obstacles one after the other and send it in.
Full instructions on where and how to enter the video will be published on day eleven.

The entries must be in by midnight on 20th December 2019.

Anyone worldwide can enter, it is free to members of The Horse Agility Club and only £5 for non-members.
There are great prizes for the highest scoring members and non-members with a Horse Agility Club Jacket for the top prize (worth £75) and limited edition Horse Agility flags for those in second place. Every entry will receive a rosette.
