THE FIRST CHALLENGE

Time to walk the plank!

PLEASE READ THE INSTRUCTIONS CAREFULLY AND ENSURE YOU HAVE READ THE GENERAL RULES OF THE 10 IN 20 CHALLENGE BEFORE YOU START

For this challenge you will need a narrow plank, folded tarpaulin or piece of carpet that is **FLAT ON THE GROUND, NO RAISED PLANKS OR BRIDGES.**

You will need to measure the distance from the middle of each of your horse's front feet, see picture below, when he is standing square. This distance is the width of your 'plank' but narrower would be an even better challenge!

The plank must be at least one and a half horse lengths long, a horse length is the length of the horse's body from point of shoulder to hocks.

All you have to do is lead your horse, on a lead rope, along the plank so that he stays on the plank from the very start to the very end, without any foot stepping off.

Ultimately we'd like to be able to walk our horse along a single rope!!

When you video this please ensure that the judges can clearly see the plank and the feet.

Good luck!
