THE SECOND CHALLENGE

PLEASE READ THE INSTRUCTIONS CAREFULLY AND ENSURE YOU HAVE READ THE GENERAL RULES OF THE 10 IN 20 CHALLENGE BEFORE YOU START

The Figure 8 Weave

For this challenge you will need two markers, the distance between them is about the length of your horse's body, experiment and find what distance is easiest for you and your horse.

All you need to do is stand still on one side of the two markers and ask your horse to weave around them while you keep your feet absolutely still as he moves. He only needs to complete one full Figure Eight to complete the challenge but do ensure you keep him moving and that the rope remains floating between you as he weaves.

Ultimately we'd like to be able to ask our horse to canter around the markers with a flying change in the middle!!

When you video this, please ensure that the judges can clearly see the markers, the handler and the horse.

Handler stands still at star while horse weaves around the two markers.

Good luck!
