December 2019

THE FOURTH CHALLENGE

Hula hoop turn—hind end

PLEASE READ THE INSTRUCTIONS CAREFULLY AND ENSURE YOU HAVE READ THE GENERAL RULES OF THE 10 IN 20 CHALLENGE BEFORE YOU START

For this challenge you will need a hula hoop. This can be a home made one or one you have bought. We suggest you make sure it can break open in case your horse panics and gets his feet caught.
The size of the hula hoop is about 3ft (1m) across, this is a rough guide but please don't make it any bigger than this OR too small!!!

Ask your horse to step into the hoop with his front feet and stand still.
You will then ask him to make a half turn walking his hind end around until he is facing in the opposite direction from where he started (a turn on the forehand, a hind end yield are other names).
He must keep his front feet inside the hoop throughout the turn.
He must not touch the hoop at any time in this challenge.

When you video this please ensure that the judges can clearly see the hoop and all four feet.

Good luck!
