THE SEVENTH CHALLENGE

BACK OVER A POLE

PLEASE READ THE INSTRUCTIONS CAREFULLY AND ENSURE YOU HAVE READ THE GENERAL RULES OF THE 10 IN 20 CHALLENGE BEFORE YOU START

For this challenge you will need to have a pole that lies on the ground. To stop the pole rolling you can use sandbags, squashed plastic bottles or a half pole to stop it rolling should the horse knock it with his feet.

All you need to do is lead all four feet of the horse over the pole and halt. Then back him up over the pole using any method. He must step over the pole and back up over the pole **WITHOUT** touching it at all. Each knock of the pole will lose a mark. We suggest practicing with the front feet only first before starting straight into all four feet. He must not touch the pole at any time in this challenge.

When you video this please ensure that the judges can clearly see the pole and all four feet.

Good luck!
