As the horse turns around the end of the poles he must follow the red line and not circle.

5. Handler asks horse to wait, passes round flags and **not through** them (he may step over pole here) counts to five then asks horse to join him at a fast walk.

6. Still leading horse, handler to kick ball round corner from starting place at end of poles and finish in next pole corridor next to curtain without the ball touching the poles or going over them.
