REMEMBER you must keep your lead rope loose and keep moving forward between obstacles with no circling. If you do have a tight lead rope, stop or circle BETWEEN obstacles you will lose a mark from the next obstacle's score.

6. Podium. Using a safe, strong block ask your horse to put both front foot up onto the block. Count to one then ask him to remove his feet and place them on the ground.

4. Umbrella. Pick up an open or closed umbrella and carry it at least 3m (10ft) as you lead your horse then put it down.

5. Flag alley. Create a flag corridor at least one horse length long. The top of all the flags must be as high as the horse's ears. Make sure you have enough flags, two or three is not enough! Lead horse through at walk. Handler can be anywhere safe.

7. Raised pole at horse's fetlock height off the ground. Horse to walk over without touching.

3. S-bend. Please see Handbook for construction. S bends that are too wide will lose marks. Horse to walk through without touching poles or stepping out. Please note the S bend is completed half way through the weave. Handler can be anywhere.

2. Weave. Arrange four cones (or other markers) with the S-bend between cones 2 and 3. The cones are in line with the outside poles of the S bend SEE DIAGRAM. Horse to weave at walk through the cones in the direction of the arrows so that the S bend is completed halfway through the weave. Handler can be anywhere.

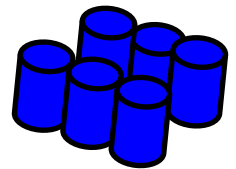

There must be no stops in the weave or the S bend.

8. Narrow tarpaulin. Fold your tarpaulin so that it is no more than 2ft 6in (75cm) wide and at least one horse length long. Horse to walk over from end to end without stepping off the side. Do not use poles to mark the edge of the tarpaulin. Handler can be anywhere.

9. Mat. Not more than 1m x 1m (3ft 3in x 3ft 3in) in size. This is placed at the end of the tarpaulin with no gaps. Horse to halt on mat with front feet for a count of one before continuing, The horse's back feet must be on the tarpaulin during the halt.

10. Touch cone. Halt at a cone or other marker and ask your horse to lower his head easily and smoothly to touch it. You MAY NOT place food on the cone or lure the horse with food towards it.

1. Narrow Gap. Create a narrow gap which is 1m/3ft wide, at least one horse length long and at least as high as your horse's elbow. The sides should be solid down to the ground so that we can not see horse's legs or feet as they go through. Horse walks through while handler goes around the outside.
